HEAVY FINE IMPOSED.

Moses Cephus Assessed \$500 for Selling Liquor.

"Here's a toast to the police; they can't catch us," was a toast proposed by a guest in the home of Mary and Moses Cephus, colored, in Gresham place northwest Sunday morning, and as the toast was drunk Detective Greene and Policemen Sullivan and Howard of the tenth precinct rushed into the house to be personally toasted. At their appearance those in the house lost all interest in the environs, and one man made a dive out of a nearby window. He was caught by the coat and brought back to the room.

All of the members of the party were invited to the station house, and there Mary and Moses were charged with selling liquor without a license. The case came to trial in the Police Court yesterday afternoon, and after hearing the witnesses Judge Kingball imposed a fine of \$500 on Moses, with nine months in jail in default of payment. He reserved decision as to Mary, desiring to consult the authorities as to the wife's responsibility.

Precinct Detective Greene, accompanied by Policeman Foley, later in the day visited the Brightwood racetrack, and in the woods near there, it is declared, they found Samuel Contee using a chestnut log as a counter and his pockets as a bar. After witnessing two sales, the police say, they arrested Contee and placed a charge of illicit liquor-selling against him. When arraigned in the Police Court he pleaded not guilty and demanded a jury trial.

Anent a Garbage Station.

In an opinion to the Commissioners, Corporation Counsel Thomas stated that the garbage station at New Jersey avenue and K street northwest may be conducted legally, despite the complaints filed with the Commissioners by the property owners and residents in that neighborhood. Mr. Thomas declares that the station should be kept where it is, but that it should be carefully inspected at all times, particularly during that part of the year when it is likely to become a nuisance.

ALEXANDRIA AFFAIRS

Ark Managers Said to Have Closed Their Business.

VOLUNTARY ON THEIR PART

Number of Funerals Occur Within the City Limits.

HEARINGS IN THE POLICE COURT

Old Dominion Boat Club Planning for a Regatta—General and Personal News.

Special Correspondence of The Star.

ALEXANDRIA, Va., July 16, 1907.

It was announced this morning that the managers of the ark anchored in the Potomac off Jones Point, opposite this city, where gambling is alleged to have been conducted, have decided to cease operations for good, and consequently there will be absolutely no occasion for the Maryland authorities to take any action in the premises. The little steamer Harbottle, which up to the present time has been used to convey passengers to and from the ark, will henceforth, it is stated, be used for chartered excursion parties who desire to take trips down the Potomac.

A force of men was yesterday engaged in cleaning up the ark and putting a coat of paint on the interior. Most of the paraphernalia used in operating the establishment has, it is stated, already been removed. It is understood the operators closed down of their own accord.

This formal announcement, it is stated, marks the closing of a gambling establishment which has for a year or more openly enjoyed freedom from prosecution on the part of the authorities of either Maryland or Virginia, and which was considered as being conducted in open defiance to the laws of both states.

It is not yet been announced what disposition will be made of the ark. It is guarded here that in the event the promoters of the enterprise again start operations in this vicinity action will be taken by the authorities. An announcement has just been made of a letter received by Gov. Swanson from Robert S. Hart, secretary to Gov. Warfield of Maryland, in which Mr. Hart says he has taken the matter up with Gov. Warfield and has already written to the sheriff of Prince George county, Md., and expresses the hope that a permanent settlement of the matter will be made at once. The letter is dated July 13. It is taken for granted that this is responsible for the closing of the ark.

Funeral Services Announced.

The remains of E. E. Mason, who died yesterday morning at his home, 1220 Fauquier county, Va., reached this city at 12:30 o'clock this afternoon and the funeral services took place at the union passenger station, conducted by Rev. Dr. S. A. Wallis of the Episcopal Theological Seminary, and the interment was made in the family lot in Ivy Hill cemetery. The following were present: William Bryant, Arthur Herbert and J. R. Zimmerman of this city and Carlyle Whiting, Neville Whiting and Brian F. Whiting, the last named being nephews of the deceased.

Funeral services over the remains of Leo J. Ewald, whose death occurred Saturday last, took place at 9:30 o'clock this morning at St. Mary's Catholic Church. Rev. L. E. Kelly, assistant pastor, officiated, and the burial was made in St. Mary's cemetery. The pallbearers were T. McGowan, John McKenna, J. D. Normandy, John T. Johnson, James Roche and William Chaucery. Andrew Underwood, sixty-seven years of age, died last night at his home, 207 Wolfe street, after a brief illness. The deceased is survived by his widow, Katie Underwood. Mr. Underwood was a native of Occoquan, Va., and was for many years employed as a carpenter at the shops of the Southern Railway Company. His funeral will take place Thursday morning from his residence. Rev. Charles D. Bulla of the Methodist Episcopal Church South will officiate.

In the Police Court.

Edward Hill, a colored lawyer, was charged in the police court this morning with carrying concealed weapons. The complainant was Abel Douglas, also colored. The case was a very protracted one, and the court, after hearing all the evidence submitted, held that there was not sufficient evidence to convict, and accordingly dismissed the accused. The prisoner was represented by Attorney Robinson Moncreux, and Attorney R. D. Brumback appeared for the complainant.

A fine of \$25 was imposed on E. J. Harrison in the police court today on the charge of obtaining the sum of \$11.85 from Ernest and Harry Fogg under false pretenses. The case has been in the court several times before, and the judge, in imposing the fine, announced that the case had been standing long enough. According to a statement of Ernest Fogg, the money was paid to Harrison with the understanding that they were to join the Bottlers' Union, and Fogg alleges that the money was never turned over to the union. Harrison denied the charge.

Malinda Leavelle, colored, was arraigned in the police court this morning on suspicion of the larceny of 310 from Maria Thomas, also colored. The complainant was positive that the accused had stolen the money, which, she said, was deposited in her stocking, and it was taken, she said, while she was asleep. Maria amused the court and spectators by her vehemence, and it was necessary for one of the officers to sit near her all the time in order to prevent her from talking. The evidence against the accused was not sufficient, in the eye of the court, to warrant a conviction, and Malinda was accordingly dismissed.

General News.

It is understood that the Old Dominion Boat Club of this city is planning for a regatta to be held on the Potomac September 30 next, providing they can get clubs from Washington and Richmond to participate. It is stated that in the event they can secure clubs to enter a competent trainer will be secured and the men will at once get down to practice.

The general store of George Baker at Lorton, Fairfax county, Va., was entered by thieves last night and robbed of \$40 in cash and a quantity of provisions. The authorities of that place are investigating the robbery.

The explosion of a kerosene lamp at the residence of L. F. McDonald, 1119 King street, caused a slight fire last night. The flames were extinguished without turning in an alarm.

Final Notice to Proofreaders.

The statement is made that Public Printer Stallings has served final notice on the workers in the proofreading division of the government printing office that his order imposing penalties because of work spoiled on account of errors or other causes will stand, and that the necessary deductions from the pay of these believed to be responsible for the spoilage will be made in the future by the proper officers. It is said this information was conveyed to the proofreaders on behalf of Mr. Stallings yesterday afternoon by Supt. McFarland and Foreman Constantine. It was also said there will be no remission of penalties heretofore imposed.

MACCABEES CONVENED

Eleventh Triennial Review of the Supreme Tent.

OPENED IN DETROIT TODAY

Delegates Represent a Membership of 300,000

FROM CANADA AND THE U. S.

Proposed Consolidation of Various Maccabee Orders Most Important Feature for Consideration.

DETROIT, Mich., July 16.—With 100 delegates present from all sections of the United States and Canada, representing 300,000 members, the eleventh triennial review of the Supreme Tent, Knights of the Maccabees of the World, opened here today. One of the most important matters that will be considered during the review is a proposition which has been made that all of the various Maccabee orders be consolidated into one great body, including the two organizations of Ladies of the Maccabees.

Supreme Commander D. P. Markey says that the possibility of such a consolidation will be thoroughly discussed during the sessions of the convention. The establishment of a medical branch at Kansas City and a proposal that a home be erected for aged members and the orphans of members will also come before the delegates for consideration.

Order in Flourishing Condition.

After welcoming addresses and responses at the opening session Supreme Commander D. P. Markey and Supreme Recorder Keeper Dr. E. L. Sisler made their triennial reports. They showed the order to be in a flourishing condition. Commander Markey recommended the adoption of a new ritual with three degrees, that the dues be amended so that the elected representatives to the Supreme Tent will total 150 instead of 75, as at present; that the total and permanent disability feature be re-established; that a fund be created for the establishment of a home for the aged and the orphans; that the present policy in regard to the publication, The Beehive, be continued, and that active work be begun in the way of organizing the Junior Maccabees with the idea of bringing them into the order when of sufficient age. Mr. Markey said that since the adoption of the "step-rate" plan at the last review and the beginning of the large reserve fund the membership has come to generally understand that this was a necessary and wise action and that general harmony now prevails throughout the entire jurisdiction.

The report of the supreme recorder keeper showed a total membership of about 300,000, scattered among 4,800 tents, or lodges, in various parts of the United States and Canada. During the past three years 113,585 new members were admitted and 7,044 death claims were paid, totaling \$9,306,208. The amount of total and disability claims paid was \$707,220. The report showed that 650 new tents were organized during the term and that the surplus fund was increased by \$2,877,443, placing it at \$6,432,579 at the present time.

The Private Rooms in our new Fireproof Storage Building are thoroughly approved by the Fire Underwriters.

GOVERNMENT CLERKS' PAY.

Chamber of Commerce Committee Will Push Question.

The efforts of the Washington Chamber of Commerce looking to an increase of the pay of government employees, including those on the rolls of the District of Columbia, will be facilitated, it is said, by the

work of a subcommittee of the committee on retail trade. Mr. D. J. Kaufman, chairman of the main committee, announces the appointment of the following committee to give consideration to this matter: D. J. Kaufman, chairman; B. M. Bridger, P. Foster, Norman Galt, W. A. Hill, D. S. Porter, S. J. Stinecize and W. P. Van Winkle. Another subject to which a special sub-

As a food and a tonic. Every component in good beer is good for you.

But be sure it is pure, else harm will be mixed with its healthfulness.

Beer aged insufficiently causes biliousness. That is why all Schlitz beer is aged for months in our cooling rooms.

Beer that's impure—not cleanly, not filtered, not properly sterilized—should be avoided.

That is why we spend more to insure absolute purity than we spend on anything else in our brewing.

Ask for the Brewery Bottling.

Common beer is sometimes substituted for Schlitz.

To avoid being imposed upon, see that the cork or crown is branded
